Source : School District Records

Note: Year of original construction in parentheses. Increases in square footage and capacity are the result of renovations and additions. Capacity is the "program" capacity and can increase/decrease as a result of changes in federal, state, or local standards.

(a) A portion of Memorial Middle School was used as the District's Sixth grade building until the Hilliard Station conversion was completed and Hilliard Tharp was built, both of which opened in 2002. At this time, the building began functioning as a middle school.

(b) In FY 1999-2001 Preschool was housed at various elementary buildings, including Darby Creek and J.W. Reason. Space was allocated on an as-needed basis and square footage falls within the elementary building as presented.

N/A - Not available, building was not open

\* In 2005-06 modulars were added to both of the District's high schools to help in accommodating growth. 5 modulars were added at Davidson and 9 were added at Darby.
